GUIDELINES ACCEPTANCE FORM

This form must be completed and signed by a contractor representative prior to undertaking any access, activity, broadcast or other similar works on the EUROVISION PREMISES. The completed form should be delivered to the Safety Officer or sent by mail to romesafety@eurovision.net.

I/We have received a copy of The Workplace Health & Safety Guidelines and we have been briefed by Safety Officers of EUROVISION on all risks and emergency devices and procedures of the Eurovision Premises.

I/We have read and understood The Workplace Health & Safety Guidelines and briefed our employees, contractors and any other applicable person (including our guests) on the contents and requirements established therein.

I/We declare that all our personnel is employed or contracted in compliance with all applicable laws and fully trained and able to carry out the specific activities delegated thereto.

I/We have visited the Eurovision Premises and we declare that the spaces are suitable for our use, perfectly equipped and all the emergency devices are present and in working condition.

I/We agree to comply with all the current and local legislation governing broadcasting activities and associated activities and specific rules and procedures detailed within The Workplace Health & Safety Guidelines.

I/We understand that any breach of relevant Health & Safety legislation and the specific rules and procedures detailed in The Workplace Health & Safety Guidelines may lead to the termination of the contract and immediate expulsion from and/or access being denied to the Eurovision Premises.

I/We understand that EUROVISION, management and producers are not responsible for the loss or damage to any technical or personal possessions and property.

Insurance of your technical or personal property is solely your responsibility.

Security and Safety personnel are only responsible for access control and work safety.

INTERFERING RISKS

The activity of broadcasters, authorized to access and use the premises whenever they deem it appropriate, respecting any instructions given, is carried out with their own equipment, for which the company that owns them is required to demonstrate compliance.

However, the activities carried out do not involve any interfering risk for the workers present.
