

INFORMATION ON THE PROCESSING OF PERSONAL DATA

(article 13 of the European Regulation n. 2016/679)

This information is provided by the company Eurovision Italy Srl, also called Eurovision, based in Via della Conciliazione, 44 - Rome (RM), in the person of its Chief Executive Officer and Legal Representative pro tempore, which, for the control of access to Platform Pio XII, acquires images and personal data. Following registration and approval, the system issues a QR code to be shown when accessing and exiting the platform.

The operations are carried out in compliance with the principles of necessity, lawfulness and proportionality, pursuant to the Privacy Code Legislative Decree 196/2003 as amended and supplemented by Legislative Decree 101/2018 in application of the European Regulation 2016/679, as the processing of the data of the interested parties is carried out with the consent of the same. Access control is only instrumental for authorizing access and recording transits for personnel accounting purposes, to avoid queues and gatherings.

The data controller is Eurovision Italy S.r.l. with registered office in Via della Conciliazione, 44 - Rome (RM), telephone number 06.68801664.

1. PURPOSE OF THE TREATMENT: the purposes pursued are:

- access management;
- detection of crowding on the platform.

For this purpose, this information is provided to describe the methods, timing and nature of the information that Eurovision applies, present and future of the information acquired.

2. TYPE OF DATA PROCESSED: Your data, which the Data Controller can collect, are:

- 1) instant face image for subsequent identity verification;
- 2) personal data, telephone number and email address.

3. LEGAL BASIS OF THE TREATMENT AND NATURE OF THE TREATMENT: the processing will be carried out with the consent of the interested parties and will be necessary for access to the platform.

4. DATA SECURITY: in relation to the indicated purposes, the data will be processed using tools suitable for guaranteeing security and confidentiality and suitable for storing, managing or transmitting such data also in correlation with the data of other subjects, based on criteria qualitative, quantitative and temporal that allow the acquisition of useful elements for the pursuit of the purposes connected to the processing. Specifically, it is clarified that:

- all data are pseudonymised and centrally transferred and stored encrypted;
- the central system is protected by physical measures against unwanted access according to the existing technology.

5. DATA STORAGE PERIOD AND PROCESSING METHODS: the Data Controller will process the personal data which will be kept for the time necessary to manage access to the platform and in any case, in the case of consent, until the termination of the event.

The data processing will be carried out through procedures aimed at storing, managing and transmitting the data, with logic strictly related to the purposes for which they were collected, using suitable measures to ensure the confidentiality, accuracy, updating of the data, in order to avoid illegal or incorrect use and undue access to third parties or unauthorized personnel. At the end of the defined retention period, the data will be permanently deleted.

Retention for a longer period is reserved in relation to requests from public authorities or in relation to needs related to the exercise of the right of defense in the event of disputes.

6. SCOPE OF KNOWLEDGE AND ADDRESSEES:

a) will be disclosed to employees and collaborators authorized by the Data Controller for the aspects that may concern them based on their duties, according to the procedures established by law;

b) public and / or private subjects to whom the communication of data is mandatory or necessary in compliance with legal obligations or functional to the administration of the relationship;

c) may be allocated to Internet Service Provider data centers for data archiving and electronic communications management purposes;

d) on the occasion of any maintenance interventions on the machines and software, they may become aware of professionals or IT consultancy companies who may occasionally access the computers and tools, in which case all the necessary measures will be taken to guarantee safety and data confidentiality.

The data provided will not be subject to disclosure.

7. TRANSFERS TO THIRD COUNTRIES AND INTERNATIONAL ORGANIZATIONS: The management and storage of personal data will take place at the headquarters of the Data Controller, and in relation to electronic data, on servers, located in Italy or within the European Union, of the Data Controller and / or third-party companies appointed and duly appointed as Data Processors.

However, for organizational reasons, the electronic storage of data, the management of electronic communications (email) and the management of the company website, Internet service provider services located both in EU and non-EU countries may also be used. The transfer of non-EU data will take place in compliance with the provisions of the law, to countries that guarantee an adequate level of protection, that have adopted the standard contractual clauses provided by the European Commission, or that adhere, in the case of US companies, to agreements specific for the protection of personal data.

8. AUTOMATED DECISION-MAKING PROCESSES: There are no automated decision-making processes.

9. COMPLAINT TO THE SUPERVISORY AUTHORITY: the interested party who deems that the processing concerning him or her violates the EU Regulation 2016/679 (GDPR), has the right to

lodge a complaint with the Guarantor for the protection of personal data - Piazza di Monte Citorio n. 121 - 00186 Rome.

10. RIGHTS OF THE INTERESTED PARTY: in your capacity as an interested party, the following rights are recognized:

- Obtain confirmation as to whether or not personal data concerning you are being processed and, in this case, to obtain access to personal data and all the information provided for in art. 15 of the GDPR.
- Obtain the correction of inaccurate personal data concerning you without undue delay. Taking into account the purposes of the processing, you have the right to obtain the integration of incomplete personal data, also by providing an additional declaration.
- Obtain the cancellation of personal data concerning you without undue delay.
- Exercising the right to be forgotten (In this hypothesis, Article 17 paragraph 2 requires the owner not only to delete the data - always of course that he deems the request legitimate as far as he is concerned - but also, "taking into account the available technology and of implementation costs ", to adopt" reasonable measures, including technical ones "to inform of the request that it has received also any other owners who are using the data made public).
- Obtain the limitation of processing when one of the hypotheses provided for by art. 18 of the GDPR.
- Receive in a structured format, commonly used and readable by an automatic device, the personal data concerning you provided to the Data Controller, in the cases provided for by art. 20 of the GDPR. In exercising their rights relating to data portability, the interested party also has the right to obtain the direct transmission of personal data from one data controller to the other, if technically feasible.
- Oppose at any time, for reasons related to your particular situation, to the processing of personal data concerning you pursuant to Article 6, paragraph 1, letters e) or f) of the GDPR. In this case, the Data Controller will refrain from further processing the personal data unless there are compelling legitimate reasons to proceed with the processing that prevail over the interests, rights and freedoms of the data subject or for the verification, exercise or the defense of a right in court.
- Not to be subjected to a decision based solely on automated processing, which produces legal effects concerning you or which significantly affects your person in a similar way. This right does not apply in cases governed by art. 22, paragraph 2 of the GDPR.
- Exercise the right of complaint to the supervisory authority.
